

Website Disclaimer

About This Website

All content and media on the SmartVax website is created and published online for informational purposes only. It is not intended to be a substitute for professional medical advice and should not be relied on as health or personal advice.

The information on this website is primarily intended for use by immunisation providers and their immunised patients. It may also be of interest to other members of the community seeking information in this area.

Information on the SmartVax website is independently developed, published, managed and updated on a regular basis.

We regularly review the information presented on our website and [welcome any comments](#).

Copyright

This website is protected by intellectual property laws (including copyright). SmartVax claims copyright ownership of all information, data, documents, pages and images on this website, unless expressly stated otherwise. You must not copy, republish, sell or redistribute or otherwise exploit the contents of this website without the prior written consent of SmartVax.

General Disclaimer Information

While the information contained in this site has been presented with all due care, SmartVax does not warrant or represent that the information is free from errors or omission.

The information is made available on the understanding that SmartVax and its employees and agents shall have no liability (including liability by reason of negligence) to the users for any loss, damage, cost or expense incurred or arising by reason of any person using or relying on the information and whether caused by reason of any error, negligent act, omission or misrepresentation in the information or otherwise.

Links to third party websites are not owned or controlled by SmartVax. The posting of such links does not in any way imply any endorsement of such sites by SmartVax, nor is any warranty made regarding the accuracy of the content.

Accuracy of Information

While SmartVax makes every effort to ensure the quality and accuracy of the information available on this website, changes in circumstances after the time of publication may affect the accuracy of the information. The information may change without notice and SmartVax is not in any way liable for the accuracy, currency or completeness of any information printed and stored or in any way interpreted and used by a user.

Medical Advice

The information on this site is not medical advice. Users should not use it to treat or diagnose a medical condition and should never ignore medical advice or delay seeking it because of information on this website.

For health professionals, you should rely on your own professional skill, care and inquiries in the context of clinical circumstances for each patient.
